

## ***Event day schedule***

There are numerous ways you can structure a FAFSA Frenzy event. Some locations will have multiple rooms available, others may only have the computer lab. Some locations will use the Missouri Department of Higher Education's instructional video, while others may choose to do their own presentations.

No matter what schedule you decide is right for your event, be sure to keep these factors in mind:

- The anticipated number of FAFSA filers
- The number of computers and rooms available for use
- The number of volunteers and their financial aid expertise

See the provided sample schedules to help you structure your event, based on multiple or single presenters. Feel free to modify the sample schedule or create your own to meet your site's needs.
